"The Postgraduate Committee considered the Council Inspector's report (June, 2009) and decided to recommend that MD (Obst. & Gynae) qualification granted by MGM University of Health Sciences, Navi Mumbai in respect of students being trained at MGM Medical College, Navi Mumbai be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year."

On scrutiny of the records, it was observed that while considering the matter, the Postgraduate Committee had inadvertently decided to recommend recognition of MD (Obst. & Gynae) qualification awarded by MGM Medical College, Navi Mumbai under MGM University of Health Sciences, Navi Mumbai. However, MD (Obst. & Gynae) course at MGM Medical College, Navi Mumbai was permitted under Maharashtra University of Health Sciences, Nashik vide Central Government letter No. U.12012/57/2003-ME(P-II), dated 29th March, 2006. The request for recognition u/s 11(2) of the Indian Medical Council Act, 1956 was also received from the Govt. of India vide its letter dated 15.1.2009 wherein the letter dated 19.11.2008 from the Registrar of Maharashtra University of Health Sciences, Nashik regarding inspection for the purposes of recognition of MD (Obst. & Gynae.) qualification in respect of MGM Medical College, Navi Mumbai was forwarded. As stated in the inspection report, the examination of MD (Obst. & Gynae.) qualification was also conducted by Maharashtra University of Health Sciences, Nashik.

In view of above, the Council approved the recommendations of the Postgraduate Committee as under:-

"The Postgraduate Committee considered the Council Inspector's report (June, 2009) and decided to recommend that MD (Obst. & Gynae) qualification granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at MGM Medical College, Navi Mumbai be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year."

The Council further decided that the attention of the institute be drawn to Clauses 6.4 and 6.6 of the Postgraduate Medical Education (Amendment) Regulations, 2000, Part-II, dated 21st July, 2009 and act accordingly at appropriate time, which reads as under:-

The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

6.6. Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate Course.
